### Wayne Kennedy receives Peacekeeper of the Year Award

The photo was taken during the presentation of the “Peacekeeper of the Year Award” at the Town Council Meeting 15 February 2011 in Hinton, Alberta. Wayne says that:

“The town really did an excellent job of making the presentation. They even set up a display table for the certificates of appreciation I had received from the Member of Parliament, the Premier and the Member of the Alberta Legislature. They were presented to me when I had received the Nobel Peace Diploma and the Queens Golden Jubilee Medal. They can be seen at the left of the mayor. The town even had the Army Cadets present along with a few members of the RCMP Detachment who I work with as President of the Hinton Citizens on Patrol.”

Wayne is the CPVA Membership Chairman and has been involved in community and veterans affairs for many years.

Congratulations Wayne!
